Human rights

General recommendation No. 35 on gender-based violence against women

UN Committee on the Elimination of Discrimination against Women · English · 2017

CONCISE SUMMARY

CEDAW explains gender-based violence as discrimination and a human-rights violation. States should prevent violence, protect and support survivors, investigate violations, provide remedies and address harmful stereotypes and structural inequality.

This is a concise unofficial summary, not a full or official translation. For complete information, consult the original publication.
